FIREMEN'S DANCE SATURDAY

GOING TO THE FIREMEN'S DANCE? If you haven't remitted for the ticket mailed to you now is the time to do it and if you didn't get one they will be available at the door Saturday night. Miss Shiela Bennett, 1956-57 Mokena Homecoming Queen seated on the Mokena fire truck is holding some envelopes representing response to the ticket sale. The envelopes are king-size but then the dance is a king-size project.

Lincoln-Way Student Wins One of Nation's Highest Scholarships

Virgil Hammond, 17, of New Lenox, a senior at Lincoln-Way high school, has been awarded one of the top national merit four-year scholarships, as signal honor.

Actual funds for the scholarship will be provided by the Northern Illinois Gas Co. that serves 260 communities in northern part of the state, including this and the surrounding area.

Virgil has been an honor student during his three years in attendance at Lincoln-Way and

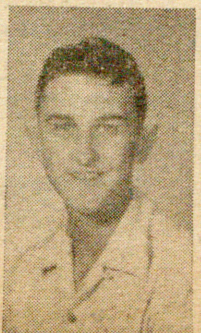

Robert Munch Wins Coveted Scout Award

On Sunday afternoon, April 28 at the St. Raymond's Cathedral church in Joliet, 40 scouts received the "Ad Altare Dei" award and four leaders received the St. George Award. This award is similar to the Protestant "God and Country" award.

Robert Munch of Boy Scout Troop 40 was the only scout

from Mokena area to receive this award. To draw a comparison, when only 40 scouts in Will and 6 other counties that comprise the Joliet diocese receive this award, it is difficult to

Robert Munch obtain. The other counties are

The Mokena volunteer fire department will hold its annual and other card games dance Saturday night, May 4. The affair will begin at 8 in the V.F.W. hall on Wolf road. The affair is open to the public. There will be numerous prizes and awards in the course of the evening.

Boy and Girl Scouts to Plant 800 Trees in Park on Saturday

Saturday, May 4, has been set aside by Mayor John Scarth as "Arbor Day" in Mokena.

All of the trees and plans have arrived and enthusiasm is mounting as the planting day draws near. There will be 1,800 units planted. One thousand multiflora rose, 200 red cedar, 200 red pine, 200 white pine and 200 sycamore trees.

All of the boy and girl scout units in town have been contacted and will help in the planting.

PROCLAMATION

Be it hereby and henceforth known that in this year of 1957 the first Saturday of May shall be declared and set aside as "Arbor Day" in Mokena, Ill.

May this 4th day of May be remembered in the hearts of those who participate in this planting for the future, as they grow in stature with the trees they have planted.

JOHN R. SCARTH, Mayor

The trees will be planted under the directions of Arthur Omland, Boy Scout leader and conservation chairman, of the Mokena Community Park. He will be assisted by Albert W. Janner and the Boy Scouts of Troop 40.

Any persons interested in aiding in this project are invited. The planters will meet at the park entrance, LaPorte rd., and South Mokena st. at 1 p.m.

They will be given instructions on the best way to plant a tree, and the locations where each species is to be planted.

"It is hoped that the thought behind the 'Arbor Day' in Mokena may remain in the community for a long time to come," Mr. Omland said. "It could very well be enlarged upon. With the growing additions to our community there is a great need for more permanent trees, shrubs and grasses. Who knows maybe some community organizations will pick up this worthy project as a yearly event."

A scout must participate in church activities and pass on examination on church history and procedure.

The boys were presented with a yellow and white neckerchief and a stainless steel neckerchief slide in the form of a cross.

After a short talk by Father Henry Wilkening, of Lockport, the Catholic chaplain, Monsignor Blanchet, Chancellor of the diocese, presented the awards to the qualifying scouts of this diocese.

L-W Musicians To Seek State Titles at Peoria

Approximately one fifth of the total Lincoln-Way student body will be in Peoria Saturday, May 4, to take part in the state final class "B" music contest.

A total of 46 students will go to Peoria tomorrow and after participating in the solo and ensemble contest that day, will remain overnight and join the remainder of the group on Saturday for the band and chorus contest.

Lincoln-Way will be represented by 18 soloists and ensembles, two choruses and the band, which ranks third highest in total possible points among the 72 schools entered.

Eureka with a possible point total of 156 ranks highest, Gibson City is second with a possible 154 points, and Lincoln-Way is third with 124 points. Points are earned as follows: Band, first 20 points, second 10 pts.; Choruses, first 16, second 8 points; ensembles, first 6, second 3 point; solos, first 2, second 1 point.

Fourteen adults will accompany the group on Friday, and others will make the trip to Peoria on Saturday.

In the solo and ensemble contest tomorrow, Lincoln-Way will be represented by Bonnie Rydell, Kay Seltzer, Dave Erickson, Wendel Anderson, and Ken Soderlund in vocal solo competition; Leslie Ekedahl, marimba solo; David McGuire, piano solo; Bill McCormick, snare drum solo; Charles Hammond, baritone horn solo; a girls' ensemble; a mixed vocal ensemble, a flute trio; a woodwind trio; a saxophone quartet; a mixed clarinet trio; a brass quartet; a brass quintet; and a brass sextet.

The girls' chorus will be Lincoln-Way's first entry on Saturday singing at 10 am. The boys' chorus will follow at 11:30 am., and the band will be the last Lincoln-Way entry at 4 p. m. 121 Lincoln-Way students will take part in Saturday's activities.

John Adams, who died at 90, lived longer than any other U.S. President.

It is illegal for you to permit any unlicensed driver to drive your car.

Refreshments—food and soft drinks—will be furnished at nominal cost.

This event is held annually to enable the fire department to raise money for the maintenance and upkeep of its equipment and add to funds earmarked for the purchase of new equipment.

It was pointed out that the increase in population in the area served by the department is growing steadily. That means, a spokesman for the department added, that more equipment is needed.

The department is planning to acquire an additional tank truck, one with a larger tank and pumping capacity than the present rig.

Fire apparatus, rescue equipment, hose and the countless number of things necessary for the maintenance of a fire department are not cheap in dollars and cents, it was pointed out, but on the other hand the cost is little when compared to services given in time of need.

Tickets for the affair were mailed out, two tickets to each family, and returns on same may be made in person at the Cooper and Hostert garage or Boleman drug store. Those who wish to remit by mail are to address it to Eric G. Book. And of course, one may make his donation at the door.

"All our new neighbors are especially urged to attend the dance Saturday night," the department spokesman said. "The Mokena volunteer department depends upon the many small donations to exist. The records show that a few persons—fortunately they are few—who can afford to do so decline to aid the department."

"The list remains the same each year. There are others, however, who because of illness or other hardship are unable to assist and we don't expect them too. Any of you that know of such families with youngsters of dancing age are asked to let us know—they will be more than welcome as guests."

Baptist Church To Show Special Film Sunday Night

"Dust or Destiny", a film in color and sound presenting the relation of God to His creatures, is to be shown at the 7 pm. services of the Park View Baptist church in Mokena this Sunday, May 5.

It is one of the Moody Science films. These films are shown throughout the world. They also are shown on television and have been used in many schools on a basis for the study of science.

"Dust or Destiny", like other films in the category, attempts to illustrate the work of God in equipping His living creatures with the facilities for living. Especially featured are the investigation of the "radar" of the bat, the instincts of the homing pigeons and the beaching of the grunion at the exact hour every year.

Cub Scouts Demonstrate First Aid Skills at Meeting in Zion Church

At the April pack meeting held at Zion Lutheran church, Tinley Park, the Cub Scouts, Pack 253 demonstrated what they had learned about first aid. Each family received a Civil Defense booklet describing procedure to follow in case of attack.

Chief Akela presented Bobcat pins to new Cubs, Douglas Gibbons and David Smith.

Arrow-points were awarded to John Gindville, Fred Dinger, Laurence Dober and David Hirsch.

Elected as Denners of their respective dens were Tom Rauch, Buddy Hunt, Bob Simenson, Jr. and Billy Waite.

Den 6 with Mrs. Lee Rayson as Den Mother won the Parent attendance award.

The 1957 pack charter and the "Onward For God and Country" award to the pack was presented to Otto Behling, president of Zion Lutheran Brotherhood, organizational sponsor of the pack. Making the presentation was Neighborhood Scout commissioner, Jack Redman. The award signifies the pack had attained 75% of their dopted goals for 75 per cent of their adopted goals for the past scout year.

During the month, the boys and their fathers had made model racers which were to be entered in the Pinewood derby race which was planned as the feature of the evening. Following are the winners: Den 1, Mike Carr; Den 2, Tom Rauch; Den 3, John Gindville; Den 4, Larry Dober; Den 5, Chuck Ernst; Den 6, Chuck Hansen. The fastest racer present, "Yellow Flash" owned by Tommy Rauch won the pack championship. Committeeman Pat Carr announced that these boys would enter their cars in district competition to be held May 11 at Field school in Harvey. The Cub Scouts extended their appreciation to Pack 272 for the loan of the racing ramp.

Mokena Grade School Choir Plans Concert

The Mokena grade school choir will present its third annual choir concert, Friday evening, May 10 at 8:15. Directed by Glenn L. Miers, the choir in the past two years has made an excellent showing and this year will be seeking to top previous performances.

The concert will be divided into three groups of selections so arranged that some will be enjoyed by all.

One group of songs will include such mood pieces as "In the Still of the Night," "Dream" and "Smoke Gets in Your Eyes."

The second group is in a lighter vein with such songs as "Be Kind to Your Parents," "Set Down Servant," and "Gossip is Fun" and others.

The third group will be on a more serious vein with such songs as "Through the Years," "Show Me My Task," the choir's theme song "You'll Never Walk Alone," and the difficult four-part arrangement of "Beautiful Saviour" which the choir first sang at the dedication of the new school.

Not only is the music itself difficult, but the choir proceeds to do it in an excellent manner without accompaniment. Those who attend shall be glad they did even for just this one number.

There is no admission charge but a free will offering will be taken.

George Gorman Takes Over Post As Cub Master

The Pack meeting of Cub Scout troop 40, Mokena was held last Thursday evening in the Mokena public school with a good attendance.

Announcement was made of the retiring of Lymann F. Teague as Cub Master with George Gorman as his successor; Kenneth Corniels, secretary, Harold Behn, committeeman, William Alexander and Wayne Swanberg Den chiefs.

Members of Den 3, Mrs. George Gorman, leader, was in charge of the flag ceremonies. Mrs. Russell Anderson's Den 4 presented a skit, and also was awarded the attendance pendant. Mrs. Robert Gilmore's Den 7 served refreshments after the meetings.

Cub Master Gorman presented the following awards: Silver arrows to, George Gorman, Jr., and Edward Wagner. Gold arrows to, David Edman, Larry Klech, Tom Roberts and Robert Horras; Den chief cords to Wayne Swanberg and Billy Alexander.

Graduation was conducted for William Anderson, with Don Alexander and Ron Badten carrying out the candlelight Indian ceremony. Arthur Omland, Scout master welcomed him into the Boy Scout troop.

Mr. Omland announced the tree planting that will take place Saturday afternoon, rain or shine, in the Community park and urged all Scouts and parents to attend and lend a hand, as a large number of trees are to be planted. Wayne Swanberg and Mr. Omland demonstrated how the trees will and should be planted.

At the close of the meeting the Cub Scouts enjoyed playing games followed by refreshments.

Seven Frankfort Band Soloists Win Awards

Four members of the Frankfort grade school band won first division ratings for soloists and three took seconds in the state contest for Class E bands held at Toulon last Saturday.

These are the first state triumphs for Frankfort band members. The band is being directed this year by Robert Taylor, head of the music department of Lincoln-Way high school.

The Frankfort band and chorus will present their spring concert in the grade school auditorium the night of May 10. The program is to begin at 8 o'clock and the public is invited.

In the contests last Saturday two of the band members, Dennis Marienfeld and Juanita won firsts with clarinet solos.

Peter Burns captured a first with a bass horn solo and Nancy Smith took a first with the baritone horn.

The three soloists with second division ratings were Leona Guzik, clarinet; Marsha Schweizer, alto saxophone and Kay Van Rheeden, cornet.

Leona Guzik is a sister of Rudy Guzik, whose skill and artistry on the piano is earning him a reputation in Chicagoland music circles, is quite a pianist in her own right and at the contests last week served the other soloists as an accompanist.

Henry W. Gerke, 89, Former Farmhand In Tinley Area, Dies

Henry William Gerke, 89, a resident of Tinley Park, since 1898, died in the county hospital Sunday. He was known to his friends as "Captain."

Born Oct. 8, 1868 in Gandersih, Germany, he came to this country in 1889 and settled in Iowa. In 1898 he moved to Tinley Park and since 1950 made his home with Mr. and Mrs. Walter Brandau. He never married and worked among the farmers, doing various farm work. He had no relatives in this country. He stated that he had served in the Spanish American war.

Funeral services will be held this afternoon, May 2 in the Hirsch chapel at 1 o'clock with the Rev. Anthony Ber of the Gospel Light House Mission officiating. Burial will be made in the Tinley Park Memorial cemetery.

Alexander Milmine, Brother of Tinley Times Writer, Dies

Alexander Milmine, 48, brother of Anne Rodger, member of the Tinley Park Times staff, died in his home in Chicago, Sunday following a lingering illness.

Born in Glasgow, Scotland, he had made his home in Chicago for many years.

He is survived by his wife, Susan, nee Metzger; a son, William; his mother, Mrs. William Milmine, all of Chicago; three sisters, Mrs. John Easton and Mrs. Richard Mollman, Chicago and Mrs. Rodgers; also two brothers, Joseph, of Gattinburg, Tenn., and John of Michigan.

Funeral services were held Wednesday afternoon at Chicago with the Rev. Thomas Chisholm, pastor of the Pullman Presbyterian church officiating. Burial was in Cedar Park cemetery.

Frankfort Woman Selected in Foster Mother Competition

Mrs. Arthur Borg, R. R. no. 1, Frankfort, has been selected by the regional office in Chicago of the state department of public welfare division of child welfare, to represent that office at the Foster Mother of the Year ceremony which will be held at 10:00 a. m. next Thursday, May 9, in the Mirror Room, Hotel Hamilton, 20 South Dearborn st. Chicago. This is quite an honor for Mrs. Borg since the regional office in Chicago supervises foster homes in four counties.

The 1957 Foster Mother of the Year awards ceremony will accord deserved recognition and community appreciation to foster mothers from seventeen child placing agencies in Chicago and the temporary care division, Family Court, Chicago. One Foster mother from this group will be chosen as Foster Mother Of The Year.

President Daniel Ryan of the Cook County Board of Commissioners will preside and Judge Wendall E. Green of Family Court will extend the office of appreciation and corsages will be presented to each foster mother.

Friday Step-Up Day At Mokena School

Tomorrow afternoon, May 3, is to be step-up day in the Mokena grade school.

This is the day on which all youngsters who will start school next fall have an opportunity to visit the classrooms and get a first-hand view of what the immediate future holds for them. The youngsters, accompanied by their mothers, are to come to Willow Crest school, west of Wolf road on Willow Crest st., at 1 o'clock.

The object of the day is to acquaint parents with the problems that attend the beginning of school and to answer such questions that mothers may have in mind, as well as to give the children a close-up of school life.

All children who will be six years old by Dec. 1, 1957, are included in the invitation extended by Mrs. Elizabeth Capel, principal.

LINCOLN-WAY STUDENT—

(Continued from page 1)

is president of the Lincoln-Way band this year and is a member of the New Lenox Methodist choir. He is a member of the school wrestling squad. Main hobbies are music, woodwork and reading.

Virgil has selected the Illinois Institute of Technology at Chicago as his choice of schools in accepting this scholarship and will major in electrical engineering.

He is the son of Mr. and Mrs. James A. Hammond, 11 S. Cooper st., New Lenox and has four brothers and three sisters. Virgil is thrilled beyond words with his good fortune and success. He will be 18 years old in June.

These merit scholarships were awarded yesterday to some 800 high school seniors—some from every state. These Merit Scholars are winners of the largest and most rigorous scholarship competition in the country. More than 12,500 U. S. high schools entered 162,000 of their best students in the competition.

Each Merit Scholarship, therefore, is a great honor, being awarded to about one high school senior in every 1,800.

Each scholarship is a four-year award at the school of the winner's choice. The course he follows also is of his own choosing. Neither scholar nor sponsoring company has employment commitments.

Each Merit Scholarship carries a stipend that is based on the student's need and is hence confidential. Minimum stipend (where no need exists) is \$100 a year for the four college years and there is no maximum.

The amount is set after a study of family resources, summer earnings and college costs. The Merit Scholar may thus make his selection to any accredited college in the United States without regard to either college cost or his family's financial condition, since each stipend provides the difference between cost and his available funds.

Each Merit Scholarship also carries a cost-of-education supplement that is designed to help each college make up the difference between tuition charges and the cost of educating a Merit Scholar. At private colleges this supplement can range between \$300 and \$750 a year, and it is unrestricted as to use.

Funds for Merit Scholarships come from 55 business and industrial corporations of all sizes, foundations, professional associations and other groups.

Each Merit Scholarship is named after its sponsor, and, on the average represents a \$5,000 commitment by that sponsor.

The Merit Scholarships being awarded this year represent a total investment of over \$4-million in students of high promise and in their colleges.

The Northern Illinois Gas Co., whose headquarters are at Aurora, Ill., is giving two scholarships. The other has been awarded to Gerald A. Kitchen, of Sycamore high school.

Park View Baptist Mother-Daughter Dinner to be May 9

The Mothers and Daughters banquet of the Park View Baptist church, Mokena, will be Thursday evening, May 9 at 6:45 o'clock. A buffet supper will be served by the Womans Missionary society.

A complete program is being planned with a skit by the ladies, special songs and musical instruments.

The Girls Missionary Guild of the church will present a puppet show on David and Goliath and sing special songs.

Miss Alice Araki who does Christian work in Hawaii will be the speaker of the evening. Everyone is invited.

CHRISTIAN SCIENCE CHURCHES

How sin and suffering are destroyed through spiritual understanding of Christ, Truth, will be explained at Christian Science Services Sunday.

Scriptural readings in the Lesson-Sermon entitled "Everlasting Punishment" will include the following from Lamentations (3:39-41): "Wherefore doth a living man complain, a man for the punishment of his sins? Let us search and tryout ways, and turn again to the Lord. Let us lift up our heart with our hands unto God in the heavens."

Correlative selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (391:13): "It is error to suffer for aught but your own sins. Christ, or Truth, will destroy all other supposed suffer-

Legion Auxiliary Holds Meeting At Hazel Crest

Representatives from the Orland Park American Legion auxiliary, 526, attended the 8th district meeting April 10 at Hazel Crest. In the delegation were president, Dagmar Myrick, Christina Horn, Edna Doctor, Sara Myrick, Lillian Knox and Lilah Kruspe.

Reports of officers and election of a nominating committee preceded memorial services.

The regular meeting of the unit was held April 12 in the home of Florence Sayers assisted by Betty Libner and Eleanor Bivens. Mrs. Libner, Poppy Day chairman, announced that several schools were going to enter the Poppy Poster contest. The unit will give cash prizes to the winners as a unit contest.

Poppy Day will be Friday, May 24. Those who will volunteer to tag for a few hours should contact Mrs. Libner at FI 9-0156.

The Juniors with their leader, Sally Cooper have made 100 tray favors for the veterans hospitals.

The unit decided to sponsor a girl to Illini Girls state with Dorothy Thoms, chairman of the project. She will contact William Fisher, Supt. of Carl Sandburg high school for cooperation in selecting a candidate.

The Past President's Parley dinner will be held May 20 at Cavallini's in Midlothian. It is hoped that all past presidents of the Orland unit will attend. Reservations should be made as soon as possible with Hilda Nitsche, May 13 is the deadline.

The past presidents had planned to have a "galloping breakfast" before this dinner to raise funds for the Vet Craft Exchange, but time is short and there are so many activities in town before this date, that a breakfast will be forthcoming at a later date.

The next regular meeting will be Friday, May 10 at the home of Dagmar Myrick at 8 pm.

The Mr. And Mrs.

At Long Last!

"Well, it's about time!" George looked up from his newspaper. "In fact, it's way past time—but at last, somebody's doing something about it!"

Molly paused in her mending, and waited.

"A law has been introduced in congress to reduce the federal taxes that have about hit the stratosphere—that take a higher and higher percentage of earnings as people go up the income scale."

"I know a lot of people in Washington have been talking about it," Molly put in.

"Yes, but doing nothing much! But now Congressman Sadlak, of Connecticut, has a bill which is sure a step in the right direction. Under it, the first bracket rate, paid by all taxpayers, would drop from the present 20 percent to 15 per cent of net income. The top surtax rate would be reduced from 91 per cent to 42 per cent, and other surtax brackets in proportion."

"Let's wish him luck," said Molly. "Goodness knows, enough of us have been writing our Congressmen about it!"

Children Love Circus Set-Up!

Maybe they aren't meant to be, but a birthday party for youngsters sometimes seems like a circus! So—why not start with that idea, and plan a circus theme for your very next young-fry occasion? For this a "drum" filled with crunchy flaked coconut confections is an attractive and simple-to-make centerpiece. Simply paste bands of colored paper or ribbons around a tin box. Add clown figures, gay glasses, pretty napkins, and the table is ready. Have plenty of ice cream, a pitcher of ice cold milk (flavored if desired), extra cookies to refill the drum and the party's on! Couldn't be simpler or more effective.

Party Cakes

- 1½ cups tender-thin flaked coconut
- ¾ cup finely cut dates
- ½ cup finely cut walnuts
- ½ teaspoon grated lemon rind
- ¾ cup sweetened condensed milk

Combine ingredients in order given and mix thoroughly. Pack in greased 10x5x3-inch loaf pan. Bake in moderate oven (375°F.) 25 minutes. When cold, cut in 1-inch squares. Wrap in waxed paper, if desired. Makes 32 squares.

Tinley Park PTA To Install Officers Friday Night

The Tinley Park Parent Teacher association will install officers at its meeting in the Tinley Park school auditorium, tomorrow night, at 8 o'clock.

Mrs. Walter Fierke, president of Southwestern Area council, will be in charge of the installation.

Hostesses for the evening will be mothers of students in first grade, while contributions to the bake sale will be made by mothers of students in the eighth grade.

Boy Scout troop 255 will present colors.

COUNCIL NOTES

Southwestern Area Council held its final board meeting of the season April 23 at the Palos Heights school. Mrs. Walter Fierke, president, called upon local PTA presidents to give a brief summary of their unit's activities for the past year.

Mrs. Percy Jochum, program chairman, presented plans for the school of instruction to be held May 28, at the Forest Ridge school. Ten round tables will be held at this meeting, to be followed by installation of officers.

According to Senator Byrd of Virginia, "There is not a department of this government that can't be cut by 5 to 10 per cent and still function in an effective way—except for those items that are fixed by their cost."

FEDERAL SCHOOL AID A SNARE

Federal aid is a snare and a delusion.

Once the government steps in with its money the government becomes boss and the bureaucrats take over.

That's the snare.

Then the bureaucrats loose the propaganda that the money is free—a gift from government.

That's the delusion.

There is no free money in the U.S.A. or its territories. There is a song about a money tree but unfortunately it does not grow for us, that's just for the foreign nations. The only money possessed by the government comes from out of our pockets.

When federal money is used for anything it means that while we put it up the bureaucrats muscle in and say how it is to be spent.

Congressman Noah Mason warned only recently that while the aid for education bill now before congress says in one paragraph that the federal government will not interfere in the operation of local schools, it goes on in subsequent sections to say how the schools shall be run.

Make no mistake about it, if the federal aid for education bill is passed—and heaven forbid—some knuckle-headed eager beaver in Washington, aided and abetted by a covey of starry-eyed theorists, will be telling how to run our schools in Mokena, Tinley Park, Orland Park, New Lenox and the other districts in the area.

It won't make any difference whether we get some of the money or not. Once the bureaucrats make the rules for one school they will make them for all the schools. Standards for teachers will be set up by Washington bureaus: text books selected; curriculums dictated and probably procedures established for the boards of education.

Such a situation would leave the door wide open to fellow-travelers, pinks, and Reds and there is no doubt in our mind that many of them would drive right in and park.

The lobby for federal aid to schools and the National Education Association denies all this of course. If one would believe them federal aid is the only solution. It is the solution, of course, if we want to build big government and make everyone and everything subservient to the state.

It is the responsibility of every district to provide its own schools. To accept help from the state of Illinois or the federal government places a mortgage on our rights. If a local school board gets out of line we have the remedy in the ballot box. If our schools are run from Springfield or Washington we have no remedy.

President Eisenhower recently said that the cost for federal school aid would exceed \$2-billion dollars. The way the government spends money the two-billion probably would dress-out like a beef, about one-third of it would actually go for schools and the remainder out the window.

Let's save our money as well as our rights and tell your representatives in congress to vote NO on the education aid bill.

Part of Federal Planned Road System

THE NEWS-BULLETIN
Mokena, Illinois
Thur. May 2, 1957 Sec. 1 Pg. 5

PLAN NEW EAST-WEST HIGHWAY—State and federal engineers have outlined plans for a number of highways to be built in Illinois under a 12-year plan. One of these roads, now designated as FAI-6 is of prime importance to the area. It will have one end on the east coast and the other anchored on the west coast. It comes into Illinois from Indiana and makes a junction with FAI-4 between Central and Cicero avenues around 180th street.

FAI-4 begins in the Chicago loop on State street, comes south to 100th street, then branches southwesterly between Calumet Park and Blue Island, touches Posen, crosses U.S. 6 just east of Oak Forest, goes south along Brennan highway to 171st street. It crosses FAI-6 as explained. FAI-6 crosses Oak Park avenue about 190th st., then turns a bit northwest and cuts thru the north half of the airport operated by Edward Prosperi just south of Tinley Park; then goes westerly, close to the WLS radio tower and on north of Mokena and New Lenox. From the

map it would appear that FAI-6 will cross U.S. 30 in the vicinity of Gougar road, about two miles west of New Lenox and comes into Joliet on the southeast side. Apparently this road will take the fixed bridge route designated for Joliet, come out southwest of Joliet at Rockdale and then go on to Channahon, in Will county, where the DesPlaines and DuPage rivers meet and a short distance from there, at Dresden Heights, join with the Kankakee to form the Illinois river. South and west of Joliet FAI-6 appear to merge with U. S. 6.

Harry Trevarthen, executive secretary of the Tinley Park Chamber of Commerce who has a copy of the map in his office, says that if the plans will go thru Tinley residents can travel to the loop by auto in about 30 minutes. The proposed highway would have a 300-foot right of way and at least four traffic lanes. It would be a freeway. According to the plan the federal government will take 90 per cent of the cost and the state 10 per cent.

Ewald Contests Alsterda's Election as Mayor of Alsip

(CNS)—Election of John J. Alsterda as village president of Alsip has been contested in Superior court by his defeated opponent, Vincent R. Ewald, 4071 West 115th place, Alsip.

The action, filed last week, challenged as erroneous the final tally which gave Alsterda 525 votes and Ewald 518 in the April 16 election.

Ewald charged some votes cast for him were improperly marked as spoiled ballots, that other ballots voting for him were counted in Alsterda's column, that several improperly registered voters were allowed to vote, and that an unauthorized person was allowed in one of the two polling places.

In precinct one (the Alsip volunteer fire department, 45th avenue and 123rd street), election judges and clerks tabbed four ballots as spoiled.

Ewald contends not only that the four ballots were properly marked but also were cast for him. He alleged that four other ballots in this precinct were spoiled but they were counted as valid votes for Alsterda.

The suit charged the election judges in this precinct improperly allowed one William Hoffman to sign his registration card on election day at the direction of Mrs. Olive Robinson, wife of Thomas Robinson—victorious candidate for police magistrate and a running mate of Alsterda on the incumbent People's party ticket.

Mrs. Robinson was not authorized in the polling place at the time, the suit asserted. Contrary to state statute, the suit charged, she was one of four poll watchers for Alsterda's party. The other three watchers, according to the suit, were Mae village clerk of Alsip, to sur-

Thoms, Ethel Thoms, and Emerson Thoms.

Ewald's suit also asserted that he was "informed" 20 ballots marked for him were counted for Alsterda. The bill alleged that Ewald had 24 votes stolen from him in the first precinct by an improper count and that Alsterda was given 25 more votes than there were ballots marked for him.

Election judges in precinct one were Marion E. Aggen, Genevieve Schall, and Catherine Sepula. The clerks were Hazel Kolhne and Irene McVey.

In precinct two (Atwood Heights school, 116th st., and Crawford), five votes for Ewald were erroneously marked spoiled, the suit asserted. Another ballots for him was not counted, the suit said.

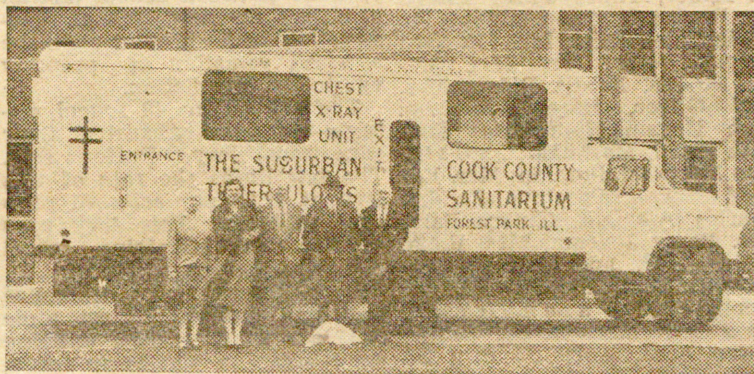

Also, in this precinct, the suit said, one William W. Barton and Alma E. Barton were permitted to vote after an affidavit permitting this was signed by Chief Stanley Thoms. The 2 votes were invalid because police chief was not a resident of the precinct, the suit contended. It also said Ewald believes the two votes in question were cast for Alsterda.

The suit alleged that Ewald's count in this precinct was six below the number of votes cast is his column and that Alsterda was credited with two more votes than he actually received.

Election judges in precinct two were Irma J. DuBois and Dorothy Fogarty. According to the suit, the official tally in precinct one was Alsterda 325 and Ewald 147; in precinct two, Alsterda 200 and Ewald 371.

The suit asks that court direct Raymond A. Termunde, rect Raymond A. Termunde, village clerk of Alsip, to sur-

Have Machine Now That Mixes And Blends Paints While You Wait

On the wave of color consciousness which is sweeping the country, a fabulous new machine which makes myriads of colors automatically has just arrived in town. Now on display and being demonstrated in Beauty Lumber Co., 6721 North St., Tinley Park, is the paint color invention, called the automatic color carousel.

The range of colors which it is possible to produce on this machine runs into the million, beyond the ability of the human eye to tell them apart. For practical purposes, however, over 500 shades have been pre-selected by the manufacturers, Standard Toch Chemicals, Inc., hundred year old firm of New York and Chicago, and are assembled in a display piece which is called the color vision selector. These 500 plus shades are said to take care of most of the demand for special, individual colors. Practically all of the popular colors in rugs, drapery fabrics and wallpapers today can be found on the selector.

The machine itself is a thing of wonder. No bigger than a large home refrigerator, it has a revolving, vari-colored drum containing specially formulated liquid colorants which are automatically blended into countless distinct shades of paint. The controls consist of dials and push buttons alongside the drum. When the paint buver picks a color, its code numbers are set on the dials, the starter button is pressed, and the machine takes over. The measuring and blending operation is automatic and, when finished a light flashes and a bell rings. All this happens in about the length of time it takes to set and wind your watch.

Nor is the customer limited to one type of paint. Wall enamels in flat, semi-gloss are available; different types of paint for different purposes, even non scuff floor enamel. Decorators can carry their color combinations outside (exterior house paint, too!) if they wish.

Across The Counter . . .

Here's a "story" clipped from a national newspaper:

"Mrs. Carter awoke suddenly in the middle of the night just in time to see the shadowy figure of an intruder going thru her jewel box on the other side of the bedroom. Greatly alarmed, she aroused her sleeping husband and excitedly whispered, 'There's a burglar after my jewelry. Stop him.'"

"Stop him?" choked the apprehensive Mr. Carter. "Supposing he's armed?"

"Jim," implored his urgent wife, "that jewelry isn't insured. You are!"

Now, fellows, your wife undoubtedly values you above her jewelry, insured or not. But why take chances when a jewelry floater costs so little?

Seriously, for a moment, insurance on jewelry is NOT a coverage intended solely for millionaires. Nearly every family has a \$250 ring, a \$50 watch, a heirloom bracelet, and other valuable items.

The policy insures all the members of your family, and the minimum premium is only \$10 per year. It pays you for loss by fire, burglary and nearly all other risks. The wise step is to buy such insurance before you need it—NOW!

May we explain the various kinds of protection available for your jewelry?

MRS. ROBERT ANDERSON
Fieldbrook 9-2857

It has been suggested now that the weather is getting nicer that those who are interested in painting get together and try their luck. We hear Mrs. Leeland and Mrs. White have already started to paint and several others have been doing so off and on all winter. However if you would like to dabble in oils or water colors speak up, now's the time to learn.

What happened to the workers at the small pond Sunday afternoon? The sun was out but they weren't.

The Cub Scouts of Den 3, Mrs. Yomans, will begin their meetings at 3:30 instead of 4 p.m.

Mrs. Woodbury is now a lady of leisure (?). She has given up her position at the bank and is devoting her time to her home, and "the war on weeds."

Would you please caution your youngsters not to block up the culverts. This has happened several times at the big pond and the water is unable to follow its natural course, consequently causing over flows in the wrong places. It is dangerous for children to play so close to the water as the clay along the culverts and ditches is very slick and an accident could occur. Thank you.

Laguna welcomes Mr. and Mrs. William Donahue and Nancy Carroll and "Jud" who moved in last Friday.

Puffer Would Raid Builders Purses to Aid County Schools

(CNS) County School Superintendent Noble Puffer has proposed builders pay a "tax" on every new home erected in unincorporated areas of Cook county.

The money would provide schools for districts who have no cash left for this, Puffer says.

He asked that the county board adopt an ordinance requiring each developer to pay \$200 to \$300 a lot before the county would approve a subdivision plat.

"There also must be some way in which the county board can insist these subdividers be required to set aside adequate school sites chosen by the Board of education to best serve each district," Puffer said.

He reported 28 of 130 school districts in the county have exhausted their bonding power for new school construction. This means they now have nowhere to go for money to build schools," Puffer said.

State law limits the amount of bond issues a school district can float for new school construction to 5 percent of the assessed valuation of property within its jurisdiction.

There also are 40 school districts that have exhausted their educational levy, Puffer said. The law limits the rate of this levy at \$1.25 per assessed property valuation. This levy pays salaries and maintains school buildings.

Park Ridge has an ordinance requiring builders to set aside \$300 per lot for school building fund before a plat is approved, Puffer said.

Northbrook, Palatine, Mt. Prospect, and Arlington Heights, have similar ordinances, he said. County Commissioner John J. Duffy was cool to Puffer's proposals, expressing skepticism at their legality.

Pointing out the Park Ridge ordinance is being contested in the courts, Duffy said another state already has declared such laws unconstitutional.

"To me, there's only one solution to the overcrowded school problem," said Duffy. "Have the builders create a revolving fund from which school districts could borrow to build schools and pay back when they get the money."

"There's no question a subdivider has a legal right to expect school districts to build schools," Puffer said, "but when builders pour children in such large numbers, we have the impossible situation of trying to keep the children in school and off the street and out of devilment."

Some 300 classrooms or more than 10,000 school children in the county now are on double shifts, Puffer said.

Puffer urged support of pro-

Offer Scholarships to Recruit Teachers for Special Education

To help recruit teachers for the 37 new special education classes that are needed by next September to serve south suburban children, the Council for Handicapped Children is offering \$200 scholarships for teacher training.

Designed to meet immediate schooling needs, the Council's scholarship plan is intended primarily to attract teachers who now are qualified for a regular certificate and who are interested in taking studies this summer that would enable them to begin teaching a special education class next fall.

Since such teacher courses are available in the Chicago area, the Council hopes that south suburban married teachers not now active, as well as teachers already in school systems of the area, will be interested in scholarships. Scholarships will be applicable for summer courses anywhere that will qualify teachers to instruct a class next September.

Besides providing the teacher with a specialty, the scholarships can qualify the recipient for higher salary in many school systems by virtue of the additional graduate hours of study, explains Principal Kenneth Underwood of Blackhawk School Park Forest, who heads the Council's scholarship committee.

Working closely with school districts of the area, the committee will also refer applicants to the 23 separate districts whose boards have authorized \$200 summer course scholarships for special education training, says Underwood.

"School census figures indicate that new classes should be set up next fall for about 800 children in the area who are affected by retardation, impaired vision, hearing loss or crippling conditions, besides some 1,600 who need speech correction," says Underwood.

"Right now it looks as though at least 12 new classes will be established. But unless more teachers can be recruited, there will be a shortage of 25 special classes, and many handicapped children will be deprived of proper schooling."

Information about the Council's scholarships and scholarships authorized by various school boards may be obtained by contacting Prin. Underwood at Blackhawk School or at his home SK 6-4680.

Details of the area's special education needs will be reported to the Council for Handicapped Children at its monthly meeting, to be held at 8 p.m. Friday, April 12, at Blackhawk School. Also on the program will be reports on two school programs for retarded children which are currently being operated outside public school systems.

Mrs. Kenneth Ostby, Lansing president of the Lansing Community Parents Association for Retarded Children, will tell about the Catherine Ostby Memorial School for Retarded Children in that suburb.

The program of Happiday School, Jones Memorial Center, Chicago Heights, will be explained by Donald Barnes, Steger, past president of the South Suburban Council for Mentally retarded Children, which sponsors the school.

A color movie, "Tuesday's Child," produced by the National Association for Retarded Children, will be shown. It tells about the adjustment of a retarded child and family with neighbors.

Poppy Sales To Aid Disabled American Vets

Poppies worn to honor the memory of the war dead on Poppy Day May 24, also will bring help to disabled war veterans. Mrs. Marie Hagedorn, Rehabilitation chairman of Tinley Park unit 615 of the American Legion Auxiliary, pointed out today as she worked on arrangements for the Poppy Day observance.

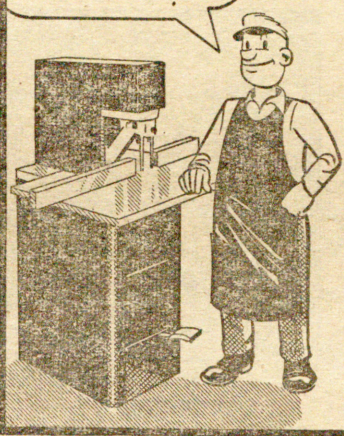

Contributions given to the Auxiliary's "Poppy Girls", will be a principal source of support for the Auxiliary's work for disabled war veterans during the coming year, Mrs. Hagedorn explained. The money also will be used in child welfare work for needy children of veterans.

"While honoring those who died defending America," said Mrs. Hagedorn, "the American Legion Auxiliary asks that we also think of those who did not die but sacrificed health and strength in the nation's service. The sick and disabled veterans are still within reach of our help, and helping them is a continuous activity of the Auxiliary."

"Volunteer Auxiliary workers go into the hospitals and the homes where veterans are still fighting their long, painful battle against wounds and illness, bringing them comfort and cheer. Funds are needed for emergency aid, for comfort articles and for cheering gifts, but since all the work is done by unpaid volunteers, Auxiliary dollars go a long way. We count upon warm hearted, remembering Americans to give us the dollars we must have for this work when we bring them their poppies."

Up to Senate

While the economy battle has been fought initially in the House, the Senate is now considering huge appropriation bills.

Here such economy leaders as Senators Byrd of Virginia and Bridges of New Hampshire promise a real fight to cut appropriations, thus reversing the usual Senate trend.

Senator Bridges has suggested a \$3.3 billion saving—and says he will be disappointed if the budget is not cut \$2.5 billion. There are, he says, many places where appropriations can be trimmed.

Congress, he has said, could save \$500,000,000 by keeping the public building program at last year's level—large amounts could be cut out of the defense budget—and foreign aid can be reduced.

Both Senators Bridges and Byrd stress killing Congressional bills which would inaugurate new spending programs. There are hundreds of these bills pending in both the Senate and House.

Claims Home Is Falling Down Sues Builder

(CNS) Caroline McNicholas, 9138 South 85th ave., Hickory Hills, has charged in a \$10,000 law suit that part of her new \$19,000 home is falling apart.

On file in superior court, the action said porches are "falling away" from the building and will cost \$500 to fix.

It alleged the foundation has cracked, causing water seepage.

It charged the heating plant doesn't warm the whole house and that she has suffered "se-

THE COMMUNIST THREAT
(From "Let's Face It", By
Dean Manion)

"The Chief Communist Commander knows what most Americans have forgotten, namely, that when our Constitution ceases to work—bombs or no bombs, war or no war—the Communists are immediately in control of this country, and their diabolical conquest is accomplished. If, therefore, the chief of Communist strategy can persuade us to destroy our Constitution while we frantically build defenses against military attacks that the Communists never expect to make, as long as the Communist strategist can do that, he is winning the conquest of America hands down. Because we ARE following Communist strategy instead of American strategy the Communists are now winning their war against America. We are spending ourselves into bankruptcy upon the insane Communist-inspired theory that we can no longer defend the United States unless we also defend, feed, clothe, and educate everybody on earth.

"It is unfortunately true that popular reverence for the Constitution and popular understanding of its liberty-protecting checks, balances, and restraints upon government have declined shamefully in our lifetime. It is likewise true, however, that 90 per cent of the American people have an instinctive subconscious devotion to our time-honored constitutional processes and particularly for the Bill of Rights. Any candidate for elective office so brazen as to make a direct open attack upon the Constitution of the United States would not merely be defeated; he would be disgraced. Nevertheless, the internationalists and the Communists have effectively joined together in an unholy resolution that the Constitution must be destroyed."

WHO ARE OUR PRESIDENTIAL ADVISORS?
The trusted aide of Harry Hopkins was Gen. James H. Burns, now retired. Gen. Burns is an old friend of Milton Eisenhower, and his advice is still sought by both Milton and Ike. When Harry Hopkins was Roosevelt's right-hand man, he had Gen. Burns issue a "memorandum" (government order) to every department of the government which read as follows:

"Establish the general policy thruout all United States departments and agencies that Russia must be considered as a REAL FRIEND and be treated accordingly, and that personnel must be assigned to Russian contacts that are loyal to this concept."

Gen. Burns' memorandum, which was the basis for our wartime policy during World War II, is still the basis for our foreign policy today. It has survived three Administrations, both Democratic and Republican. Gen. Burns has never lost his influence with the govern-

ment, especially with the state department.

Whoever our President and Secretary of State may be, now or in the future, American people have a right to ask, "Who are your Advisors?"

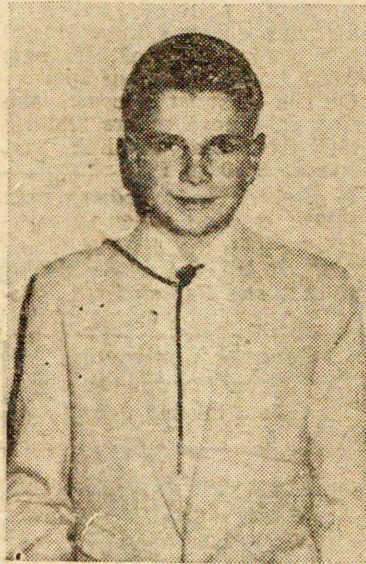

ACTIONS vs. PROMISES
In the 1952 campaign Mr. Eisenhower assured the south that he believed in states' rights and the decentralization of government. However, he instructed his Attorney general to demand and fight for a supreme court ruling that would wipe out states' rights—at least in regard to the operation of public schools on a basis of segregation furnishing equal facilities for colored and white pupils.

In 1952 and again in 1956—candidate Eisenhower—promised economy and thrift in government. . . . Now he submits a spend-thrift budget of \$71.8 billion, the highest peacetime budget in our history, a budget that equals Truman's last wartime budget.

"The King can do no wrong" is a saying that has been discredited these many years. Can a popular President do no wrong?

William Henry Harrison, died at the end of his first month as president, serving the shortest term on record.

Salvation Army Plans Torchlight Parade

A Bible and torchlight parade, on North Clark street ending with traditional Salvation Army street corner meetings will be held by some 450 youths and their leaders on Saturday, May 1, beginning at 9:30 pm.

The parade will conclude the first day's activities of the annual two day Young People's conference sponsored by The Salvation Army May 4-5 at Murphy Memorial auditorium, 40 E. Erie st.

The parade, led by a 30 piece brass band, will form outside the auditorium and march to North Clark street where the group will divide into five groups to conduct open air meetings on corners from Ontario st. north to Chicago ave.

The theme of the conference is "The Mind of Christ," and will be led by Col. Glenn Ryan, field secretary for the Army's Central territory, and Mrs. Ryan.

Registration for the conference will begin at 9:30 am. on Saturday with the first session scheduled for 10 am. Six discussion meetings with delegates grouped according to age, will begin at 2:30 pm., followed by an inspirational talk by Col. Ryan.

The only indoor meeting open to the public will be held at 7 pm. Saturday. A play, "The Mind of Christ," will be presented by a cast of young people from Kedzie corps, 1634 N. Kedzie ave., under the direction of Capt. Ernest Miller.

Musical selections will be presented by the Youth Conference brass band and a Girls' Timbrel band. Members of the bands are representatives of the various Chicago corps. The bands will be led by Capt. John R. Cheyne of Belmont corps, 1415 W. Belmont ave., and Lt.

Robert Hallquist of Austin corps, 5413 W. Chicago ave.

On Sunday at 8 am. a Life Fellowship breakfast for delegates will be held at Lawson YMCA, 30 W. Chicago ave. A devotional service is set for 10 am. in Murphy Memorial auditorium. A Youth Fellowship service will be held at 2 pm., followed by the concluding session of the conference, the Life Service fellowship, at 2:45 p.m.

Just Batting The Breeze

Some nefarious promoters, who no doubt have moved to other pastures, were working the Tinley Park area recently. I was one of the "lucky" winners of \$100 worth of gifts and services for the small amount of \$5.95 in a promotional advertising campaign, a sweet female voice advised me via telephone. I am glad I generously recommended she turn the offer over to someone else.

The Better Business Bureau, who has received complaints from unwary buyers of the coupon books, has denounced it as a phony racket.

While some coupon book promoters give fair value for the books sold, in this instance the books listed twice as many services and prizes as the merchants had agreed to give. Other merchants were so far removed from the locale of the book purchasers as to make it infeasible for anyone to avail themselves of what they had to offer.

Of the more than 250 billion dollars' worth of goods sold yearly in the United States, about three per cent will be sold to the unwary who fall for outlandish bargains and high-pressure tactics.

Some Slick Schemes

The Ford Motor Co. has published a booklet for their employees, listing what they term "slick schemes."

One of them, the earn money at home schemes, takes advantage of the mothers of small children and shut ins who would like to make extra money at homes. The booklet calls them "the biggest and dirtiest racket in the mail-order field today."

The plans are varied, but usually the "big earnings" promised go to the promoter and not the homeworkers. Usually in order to classify, a fee must be paid, sometimes on employment that does not exist.

Envelope addressing, piece-work offers, and many others come under this category. The booklet reminds women who fall for this advertising that an honest employer does not charge a fee for giving you a job or offer fantastic bonuses.

The booklet lists many more similar schemes to extract money from the pockets of the unwary.

It advises if you feel you have received unfair treatment and can bet no satisfaction from the company, to take your problems to the Better Business Bureau. If false advertising is involved in the sale of goods in interstate commerce, write, giving details to the Federal Trade Commission, Washington 25, D. C.

If the mails were used even once in consummating the deal, inform your local postmaster, who will call in the inspection service.

In the case of false medical claims, write to the Food and Drug Administration, Department of Health, Education and Welfare, Washington 25, D. C.

Believes Horror Comics and Crime Shows Contribute to Delinquency

By FLOYD ANDERSON
Managing Editor 'The Advocate'
(Paulist Feature Service)

"Could there be a strong connection between our juvenile crime rate and the brand of television shows and comic books our youngsters are fed?"

This question bothers many thinking parents. The shocking pictures glaring from the "horror" comics on the newstands, and the brutal crime shows and suggestive plays on television offer a dangerous threat to the minds of our youth.

Of course the media are not totally evil. In fact, they can be a means of education and solid entertainment. The pictures in a comic books can convey an idea better than a thousand words. TV, bringing the top entertainers into the home, can be a source of family unity.

Good television shows and comic books are helpful to our children. But someone must take the responsibility of insuring the youngsters of only the best in reading and viewing. Who will do this?

Congressional investigations and local crusades bring this problem before the public eye. In many ways they help the parents in their job of guiding their children. But they can do no more.

The responsibility and the problem belongs primarily in the home—and in the hands of the parents. Parents cannot wash their hands of it, for the obligation will not wash off. It is a God-given trust for which

they will one day have to answer.

But what can parents do? For one thing, they can show their disapproval of bad TV and comics. Television sponsors are interested in profit and do not want to antagonize their audience. If enough complaints are sent in about any program, before long that show will be off the air. Again, if the local store sells lewd comics, a word to the proprietor and a refusal to trade with him might do the trick.

Another thing parents can do is to exercise their authority in the home. We tend to forget that this authority extends to the spiritual as well as the physical welfare of the children. Often parents will go to great expense to protect the health of their youngsters, and pay no heed to what goes into their minds.

It is good for parents to look after the health of their children. But their obligation does not end there. In the light of eternity, physical harm is temporary; moral injury may be everlasting.

The problem of bad comics and bad TV shows is a serious one. What's more it is a problem that can be faced and solved only in the home. It is up to the parents to supervise the programs their children view and the books they read.

ALWAYS DANGEROUS

About as many deaths or injuries from firearms occur during spring and summer months as during the fall hunting season, according to the Institute for Safer Living of the American Mutual Liability Insurance Company. Reason: The majority of firearms mishaps occur not in the field, but in and around the home. More than one-fourth of all firearm deaths occur to children under 14.

FUTURE HOMEMAKERS

Norma Heidrich, daughter of Mr. and Mrs. William Heidrich of New Lenox, and sophomore of Lincoln-Way high school has been elected vice president of section 20 of the Future Homemakers of America. The election took place last Saturday at the annual spring rally at Reavis high school, Oak Lawn.

Future Homemakers of America is a national organization of high school girls interested in homemaking and offers many opportunities for the development of leadership.

Norma has served as student council representative of her class for the past two years and has been elected for next year. She has served as chairman of public relations for the Lincoln-Way chapter of the Future Homemakers of America; president of the freshmen class; frosh-soph cheerleader and is an alternate varsity cheerleader for next year.

LATIN CLUB

Latin week was celebrated April 22-26 by the Lincoln-Way Latin club.

Most enjoyable of the week for the members and faculty guests was the Roman banquet, cooked and served by the more or less willing slaves (first year students). The banquet opened the celebration on Monday, April 22 in the school cafeteria. Guests reclined around the lowered cafeteria tables while the slaves supplied them with food that they had to eat Roman style (loog ma, no forks).

Slaves also furnished the Roman style entertainment. This year's theme was the ancient Olympic games, a skit about the beginning of the games presented: Rich Storm, Terry Marshall, Ken Weber, Norvene Foster, Geriann Hull, Madge Roman, Rich Engelhardt, Charles Otto, and Tammy Trump. They appeared as Olympic Athletes, princess, king, suitor, chariot, narrator, and sound effects men. Olympic games, a skit about the beginning of the games was presented.

The ancient Olympic games also included competition in poetry and music. The "poet", Rich Storm, chanted the story of Lincoln-Ways basketball victory over Rich in approximately the style of Homer.

Linda Matasovic and Sue Eriksen sang Latin songs. In a quick jump across the centuries, Madge Roman, Janet Santerelli, and Barbara Raypack appeared as tourists in the ruins of the

Roman Forum.

Later in the week the Latin classes were hosts to two speakers. On Tuesday F. N. Elliott, New Lenox druggist, spoke on Latin in pharmacy and medicine. Attorney Folkers of Frankfort talked of his trip to Rome and other Italian cities.

The week's celebration closed with an assembly for the student body prepared by the Latin classes.

BIOLOGY CLUB

On April 22, a group of students sponsored by the Biology club and escorted by Miss Mary Don Butzback and George R. Abraham, were guests at the Chicago Medical school open house.

Research departments were opened to explain their purpose and progress in exploring the unknown from diseases caused by microorganisms to arthritis, heart disease, and cancer.

Class room situations of dissection and microbiology were explained and demonstrated. Demonstrations were also provided pertaining to equipment used to detect heart disorders and malfunctions of the nervous system.

To follow in this field, high standards of scholarship, determination, and desire were explained as necessary factors in order to reap the harvest of such a rewarding profession.

Refreshments were served and a good time was had by all.

EXPLORERS ORGANIZE

The Explorer crew of troop 251 met April 25, in the Harry Richards residence and elected officers as follows:

Deeks Carroll, senior crew leader; Bob Kaiser, deputy senior crew leader; Bob Richard, secretary; Tom Barton, crew leader, and Roger Brown, assistant crew leader.

The new officers immediately took over the meeting, and so much business was on hand that a special meeting was called for May 1. This meeting will be held at the Harry Richard home, 144th and Raney's lane at 8 p.m. Joseph Kaiser, former Scoutmaster, is advisor of this group.

Mr. and Mrs. Thomas Cooper are being congratulated on the birth of a granddaughter born Wednesday, April 24 in Silver Cross hospital, Joliet. The infant weighed seven pounds 14 oz. and has been named Carol Evon. Carol's parents are Mr. and Mrs. Ralph Show. Mother and daughter are doing fine.

Mrs. Chester Williams, president of Carl Sandburg high school PTA, Mrs. Harry Anderson, Mrs. Hans Bader, newly elected president of Orland Park PTA, and Mrs. Joseph Kaiser, retiring president, attended the convention of the Illinois Congress of Parents and Teachers association, in Hilton hotel, Chicago.

Ray Myrick who underwent surgery, is home and convalescing nicely.

The mother and daughter banquet sponsored by the Woman's Society of Christian Service will be held Thursday evening, May 9 in the Orland Park Methodist church dining room starting at 7 p.m. Mrs. Henry Clark of Mokena will give readings. There will also be several musical numbers. Awards will be given to the oldest mother, youngest mother and mother with most children. Mrs. Roy Loebe is in charge of reservations which must be made no later than Tuesday, May 7. Call her at FI 9-0086. The regular meeting of the WSCS will follow the banquet.

The Goodwill truck will be in Orland Park Tuesday, May 7. Those having material for the

Goodwill should bring them to Mrs. Karl Ekberg's home on Beacon ave., or if you have large amounts and would like to have the truck stop at your home, call her at FI 9-3315.

Mrs. Oscar Enk, Mrs. Billy Clark and Mrs. Kenneth Bressler of the Orland Park Junior Woman's club attended the third district Junior meeting, April 25 at Ridge Park field house. Annual reports were given by the club president and the publicity scrapbooks were displayed. The Homewood Juniors presented their prize-winning play for the drama contest which was held March 20, 21, and 22.

The day circle of the WSCS met at the home of Mrs. Charles Cooper, April 25, assisted by Mrs. James Creer. The devotional period preceded the regular business. As the regular scheduled meeting date for May falls on Memorial Day, the members agreed to have the meeting the week before, which will be Thursday, May 23. Mrs. Lester Sayers and Mrs. George Sayers will serve refreshments. Mrs. Ekberg reported delivering 30 dozen eggs to the Methodist Old People home, Foster ave., and has 30 more dozen to send to Lake Bluff Children's home.

The WSCS will also sponsor a rummage sale to be held in the Methodist church social room, Thursday, May 16. Doors will be opened at 9:30 a.m. Refreshments will also be available. Those having material for the sale may bring them to the church Wednesday afternoon, May 15.

The Ladies Auxiliary to the Volunteer Fire department of Orland Park, will meet at the home of Mrs. George Steinhagen, Monday, May 6 at 8 p.m. The new officers will be installed and members are urged to attend. Note that the date is earlier than the regular scheduled date.

The adult bible class of the Methodist church will meet Wednesday evening, May 8 in the home of Mrs. Harvey Cooper on 159th st., starting at 8:00 p.m. Friends are invited to attend with members.

The Orland Park Sr. Woman's club will conduct a bake sale, Saturday, May 4 in the Loebe store from 1 to 4 p.m. The proceeds will go toward the Cancer Fund drive. Anyone in the community interested in contributing an item for this sale, please have same at the store before 1 o'clock.

Mother's Day Program

Orland Brownie troop 180 with their leader, Mrs. Howard Fish and co-leader Mrs. Victor Ebeling will present a Marionette show Wednesday, May 8 at their meeting room in St. Michael's church, at 3:15 p.m. This is a Mother's Day program especially for the mothers of the Brownies.

The girls will represent the following characters:

Little Bo-Peep, Barbara Heath; Dancing Fairies, Vivian Yang; Little Miss Muffet, Ann Marie Richard; Cinderella, Linda Ebeling; Prince Charming, Cynthia Cooper; Old Mother Hubbard and her Dog, Marnee Fish; Jack be Nimble, Sally Doogan; Jack and Jill, Penny Hodge and Lynn Shroats; Wee Willie Winkle, Jeannie Sheber; Mistress Mary Quite Contrary, Carol Benson; Clowns, Rhonda Fleming, Virginia Yang and Patsy Reish; Curly Locks, Marie Granat and Mary Had a Little Lamb, Donna Nicolai.

Each girl has made her own Marionette and several have helped prepare the stage.

Last Friday evening, a group of 16 new members met with Rev. Robert L. Plastow in Wesley hall for an informal get-together and discussion. Gene Bates represented the Methodist Men's club; Mrs. Stewart Loebe, the WSCS; Mrs. Frank Buck, the Evening Circle and Mrs.

Sherman Knox, the Day Circle

Coffee and cake were served by Mrs. John Homering and Mrs. Frank Buck. This group were received into the Methodist church last Sunday.

At the April meeting of Orland Hills Civic organization held in the home of William Watson, Bob Mulcahy was elected program chairman with the hope that offering a program at each meeting would be an incentive for better attendance.

Mrs. Karl Ekberg entertained at a dinner last Tuesday evening, Mrs. Dave Agate, son Ralph, Mr. and Mrs. E. C. Kettering of Aberdeen, South Dakota, their daughter and children. Mr. Kettering is a brother to Mrs. Agate.

Read Matthew 27:30-56.
The curtain of the temple was torn in two. (Matthew 27:51, RSV.)

When Jesus said, "It is finished," the curtain of the temple was torn in two, from top to bottom. The holy of holies was no more, the ceremonial law of Moses of no effect. Instead, grace now abounds to him who believes in the Son of man and Son of God who died on the cross. Because of His death and resurrection, fear has given way to faith in love and in the power of the new birth.

On the cross, Jesus exemplified the new gospel—forgiveness and love, reassurance and help, fellowship and stewardship, pain and prayer, earnestness and faith, vision and victory, and surrender and obedience.

Thus the power of sin has been broken. To him who accepts Christ as Lord and Saviour, Christ becomes alive in him. To him Christ becomes a Friend and a Brother, faithful unto the end. The believer himself becomes a priest, a son, and an heir of life eternal—both here and hereafter.

PRAYER

O Lord, destroy the curtain of sin which separates us from Thee. So may we always behold Thy loving face. Teach us to love Thee rather than to fear Thee, to trust and obey our Lord and Savior. In His name. Amen.

Many Homer people attended the dinner for Rural teachers and board members at Frankfort Wednesday evening. Gladys Jensen presided and Dr. Gayle Hufford of Joliet was the speaker.

Mrs. Robert Shepherd, Sr., has been appointed by the regional director of the United Federation of Doll clubs, to be president of the newly organized Joliet area Doll club. In accepting the position, Mrs. Shepherd will be largely responsible for completing the organization and forming its policies, a job which she will enjoy and upon which we congratulate her.

Mrs. Ralph Reiter, Jr., is a surgical patient in Silver Cross hospital. At the latest report she is doing nicely.

Carolyn Drewes of Lockport spent part of the Easter vacation with Dianne Moravec on South Parker road.

Jane Vancil of Downers Grove was a visitor in the Ray Carlson home several days last week.

Frank Milne was a business visitor in Walnut Saturday.

Death of John Meyer

Private funeral services were held in the Goodale funeral home Friday afternoon for John Meyer, a long time Homer resident, who died April 23, in St. Joseph's hospital. He had been engaged in farming most of his life.

Surviving are four brothers, Andrew and William of Joliet, George of Tinley Park and Edward of Chicago Heights.

Barnet Cemetery Meeting

The annual business meeting of the Barnet Cemetery association will be held in the Homer church Saturday afternoon, May 4, at 1 o'clock. All interested persons are urged to attend.

Survey Group Meeting

The Prudential committee of Homer church met Friday evening to tabulate results of the questionnaire recently distributed in the community. Saturday evening members and friends met with Nels Norstrom, area director, from the State office of the Congregational Christian church, to further discuss plans for providing a full time minister for this church. In the near future a survey will be made to learn how many new Homer residents are interested in the local church.

Mr. and Mrs. Russell Schacke and daughter spent the weekend in Wisconsin with his parents.

Mrs. Ira Anderson has moved to her home on North Cedar road.

Susanne and Edna Mae Burcham were hostesses to the Country Charms 4-H club at the April 17 meeting. Demonstrations on the preparation of meat by Bonnie Mlynarik and on making dessert by Anna Beckwith, were given. The remaining time was spent in rehearsing a play which the girls will present at "Share the Fun" Day at Pershing school May 1. Treats were furnished by Iris Filipowicz and Anna Beckett. The next meeting will be May 15.

Homer church women will serve the luncheon to the United Council of Lockport church women in the church Friday, May 3, at 12:45. The day topic will be "Free Schools in a Free America" and a film "A Desk for Billy", will be shown.

The Homer Woman's club will be entertained in the home of Mrs. Harvey Ingersoll on E. 7th st., Wednesday afternoon, May 8. Officers for the coming year will be elected that day.

The Homer Men's club have collected a variety of articles for the auction to be held at the Otto Konow, Sr., farm the evening of May 4. Watch for the sale bulletin for unusual items. Call Bruce Anderson if you have something to donate or bring it to the sale if it is too late to call.

Farmers See Demonstration of Tree Planting

The E. A. Jones Farm, located in Crete township, was the site of a tree planting demonstration, arranged by A. A. Wicklein, Will county farm adviser, on Wednesday, April 10.

A tree planter made for a farm tractor with a three-point hydraulic hitch was the feature attraction of this demonstration. Approximately 7,000 Red, White and Scotch Pine were planted in about seven hours with this equipment, a job which would have taken several men days to do by the old fashioned hand planting methods.

Tree planting machines have surely been a key factor in increasing the number of forest tree planting on Will county farms, observed Farm Adviser Wicklein. "Individuals who order trees are ordering more than twice what they formerly ordered ten or more years ago," he reported.

The planting operation was supervised by Harold Scholten, extension forester with the University of Illinois college of agriculture. Scholten also discussed species best adapted to average forest planting situations and the benefits derived from plantings. "Forest plantings are beneficial in conserving soil, water, and wildlife, controlling erosion, and producing fence posts (to be treated),

pulpwood and poles from thinnings, lumbars, and in some plantings, Christmas trees," he said.

Tree planting stock used on this demonstration were raised by the state nurseries which are under the director of State Forester E. E. Nuuttila.

SAFETY IN NEATNESS

One of the most important spring safety chores around the home is a careful inspection of the yard and outdoor premises, according to the Institute for Safer Living. Winter freezes and spring thaws often leave soft spots and hummocks to present tripping hazards. These should be carefully hunted out and leveled before they cause some members of the family a painful sprained ankle or a more serious fall. Lawns should be raked free of all stones, sticks, and other debris accumulated during the winter. This is of extremely great importance if rotary type lawn mowers are to be used.

The earnings of firms in the manufacture of steel continue to be very favorable. There has been a substantial increase in steel capacity over the figure of two years ago and a strictly percentage calculation of capacity at which steel mills are operating and comparison with previous years, can be most misleading.

Last week's market was sparked by excellent first quarter reports by Bethlehem Steel, Jones & Laughlin, and Lukens Steel and belief that second quarter earnings will hold good. Bethlehem Steel attracted attention because of the Company's statement that it is operating at capacity and expects the same rate at least thru the second quarter.

There was considerable interest in the statement of the President of Jones & Laughlin that with completion of its new and rejuvenated facilities, its break-even point will be below 50 per cent of capacity. Few steel companies can show a net profit of their plant capacity. Increasing labor costs are forcing many industries to increase production per man hour thru use of more machinery.

The importance of reduction in the break-even point for Jones & Laughlin is seen in the statement of its president that under present condition, his company could show a net profit of \$6 million operating at 50 per cent of capacity and \$67 million if operating at full capacity. There are many fixed costs of operation than change very little, regardless of whether operating at full capacity of half capacity.

It should be remembered that flat rolled sheets suitable for automobiles, refrigerators, etc. account for only about 20 per cent of steel production. There has been a lessening of demand for flat rolled sheets which largely reflects the reduction in automobile company inventories. Steel companies generally express belief that these inventories are about as low as they are likely to go and even express belief that some of the firms will find their inventories are too small for economic production.

The demand for steel in the form of heavy plates, structural shapes, pipe (as gas) and oil transmission lines, and similar products is expected to continue strong for months ahead.

A price increase in steel is expected in the middle of the summer and this will no doubt stimulate inventory buying. The steel companies have found it politically undesirable to fight large labor unions and rather add to the cost of the products, the difference between per man hour increases in production and the labor costs they must pay. Earnings of these companies must be sufficient to attract capital for their needed plant and equipment requirements.

Walter P. Reuther was re-elected president of the United Auto Workers. Present labor contracts do not come up for consideration until next year, but he has announced no more contracts, of more than one year duration; that they will demand five days pay for four days work; and also a demand for a 10 per cent increase in the guaranteed annual wage allowance as well as certain additional fringe benefits. If such demands are achieved even half way, the retail prices of automobiles will increase considerably.

This does not indicate much change in the price-wage spiral which has been eroding the purchasing power of the dollar.

Attention 4-H members! The opportunity for you to attend camp is here, however, you must apply immediately. Reservations will close May 6. The program for the camp will be arranged next week. It is imperative to know the number of campers before programs can be planned.

Don't forget the Share-the-Fun Festival May 14, 7 p.m. at the Homewood village hall. Everyone is welcome.

Many 4-H clubs are making plans to observe National 4-H Sunday, May 26. The spiritual aspect of 4-H work is an important part of the program.

This spring Pop, Mom and Junior in families all over the United States will be pushing 12 million lawn mowers. Just how many accidents, serious and some fatal, have happened and will happen to operators of lawn mowers and to bystanders is not known. But the number is large enough to concern doctors, safety experts and the lawn mowers industry itself.

Here are some common-sense rules to observe while using a lawn mower:

First, clear the lawn of all stones, wire and other debris. Then keep in step with your mower. If you lag behind or let it pull you, you won't be in full command of the machine. Walk, don't run.

Keep the way clear of tots and pets. Don't let them play around your mower while it is in operation.

Disconnect the spark plug wire when you work on the underside of a mower. Tip the mower over by means of the handle. Don't reach under the deck, chain or belt guards, of the mower. Keep hands, feet and clothing away from any moving parts. Never attempt to remove any object from the mower until the motor has completely stopped running.

Many vegetables need to be transplanted in order to produce early yields. In fact, some vegetables won't produce satisfactorily unless they are transplanted.

Tomatoes, peppers, broccoli, cabbage, cauliflower, head lettuce, celery, eggplant and onions are most commonly transplanted. You can also set out cucumber, muskmelon or watermelon plants, but they need much more careful handling.

When buying plants, select

those that are stocky, medium sized and free from disease. They should have good root systems and should have been hardened. Hardened plants have been subjected to cooler temperatures, and water has been withheld. They will usually survive better than others if temperatures should drop.

When moving the plant from the container to the garden, keep as much soil as possible around the roots. You'll have best results if you do not disturb the plant any more than necessary.

In transplanting, set plants slightly deeper than they grew in the pot or flat. Cover the roots with a little soil and pour about a cup of "starter solution" into the hole around each plant before replacing the soil. Then pack the soil firmly around the plant.

"Starter solutions" are concentrated, all-soluble fertilizers that have a high phosphorus content and that promote rapid early growth and larger, earlier yields. These are special fertilizers in dry form, usually with an analysis of about 10-52-17, sold by most garden, seed and supply stores. You can make your own by mixing one cupful of 5-10-5 or similar fertilizer in a 12 quart pail of water.

BEWARE THE HOE!
Gardening accidents begin in the spring as soon as the first spadeful of earth is turned. Thoughtless handling and storage of gardening tools is the biggest factor, says the Institute for Safer Living. Use tools properly, keep edges sharp and handles free of defects, and store them safely after each use. Be sure you know how to use and store poisonous insecticides safely.

TINLEY PARK, ILL.

Start Diamond Tryouts at Tinley

Little League Circuit To Start Drills May 4

Tryouts for baseball aspirants in Tinley Park will be held Saturday, May 4, on the baseball diamond behind the Bert Fulton school, 171st St., between 9 a.m. and 4 p.m., for boys 8 thru 15 years.

The eight year olds will try out from 9 to 10 a.m.; nine-year olds, 10 to 11 a.m.; ten-year olds, 11 to 12 noon; eleven-year olds, 1 to 2:30 p.m., and 12 year-olds, 2:30 to 4 p.m.

These tryouts are for places on five major, four minor, and four farm teams in the Little League. Boys 13 to 15 years old, may try out for the Pony league at 10 a.m.

Tinley Park has entered the National Little League. The ever increasing number of boys wishing to play baseball each year, makes it necessary that Tinley have its own league. In previous years they have been a part of a league comprising several surrounding towns.

More boys can now be accommodated on baseball teams which means more adult help is needed.

Players will be selected on the point system by managers and starting Monday, May 6 at 6 p.m. and on each succeeding evening at the same time until Thursday, practice sessions will be held on the same diamond. On Friday, May 10, managers will bid for players. Phil Virtue is player's agent.

The Little League schedule calls for double headers on Sundays. The major league team will play games on Tuesday and Thursday evening; the minor league on Monday and Wednesday evenings; and the farm teams on weekdays mornings.

Cavalry officer Audie Murphy and a band of desperate women fight off attacking Indians in an exciting new drama "The Guns of Fort Petticoat", at the Hill Top Drive in theatre, with print by Technicolor. It's the action packed story of a frontier Army man who trained 40 beleaguered women in the arts of warfare.

Let Contracts For Bridges on Toll Highway

(CNS)—Construction contract for the longest bridge along the state tollway system has been awarded by the Illinois Toll Highway Commission.

The structure—4,935 feet—will cross the Chicago Sanitary and Ship canal, the DesPlaines river, Illinois and Michigan canal, and Sante Fe and Gulf, Mobile & Ohio railroads at the outskirts of Willow Springs.

It will cost \$3,231,086 and be erected jointly by three firms from Omaha, Neb.

Contract for another tollway bridge—to cross the Illinois Central freight yards at Markham—was awarded at a low bid of \$1,579,514.

The tollway commission will readvertise after rejecting all bids for constructing a 5.4 mile strip running approximately from 71st street and Wolf road in southwest Cook County to 31st and the Cook-DuPage county line north of Hinsdale.

It awarded a contract however for a 1.24 mile stretch of tollway from Willow Springs to 71st st. and Wolf road. The project, to be done by Orr Construction Co., Chicago Heights, will cost \$2,238,380.

Illinois, Indiana Civic Leaders To Honor School Safety Patrols

Members of school safety patrol units in Illinois and Indiana will be honored by civic and educational leaders throughout the two states, Saturday, May 4, when they join in a National School Safety Patrol observance.

Approximately 50,000 youngsters in Illinois and 10,000 in Indiana wear the familiar white Sam Browne belts as they protect their schoolmates from traffic hazards at intersections.

It is estimated that these 60,000 Patrol members guard 1,143,000 children at 12,586 intersections.

Charles M. Hayes, president of the Chicago Motor Club, who pioneered the School Safety Patrol movement, said that such a tribute to these conscientious youngsters is most proper and fitting, adding:

"School safety patrols have rendered invaluable civic service in protecting elementary school children from hazards of traffic. These boys and girls daily give their free time and efforts to safeguard the lives of their schoolmates. Their devotion to duty has helped to reduce fatalities of the elementary school age-group. These young people are certainly deserving of our highest praise."

Hayes also praised school officials and parents for their contributions toward the success of the school safety patrol. He said: "Without their expert tutelage and guidance, such an important safety project could not have been undertaken. We know that with such fine cooperation the safety patrol and other community safety programs will continue to save lives."

Statistics show the safety patrol in the Motor club Illinois and Indiana area has saved the lives of more than 8,500 school

children since it was founded in 1922.

In the last 31 years, the nation wide death rate for children 5 to 14 years old has dropped 40 per cent, while the fatality rate for all other age groups increase sharply. This record was achieved despite the continual hike in auto registrations and gas consumption over this period.

Begin Public Phase of St. Joseph Hospital Building Fund Campaign

George Washington was first inaugurated to the Presidency in New York City on April 30, 1789.

The public phase of the St. Joseph hospital \$3million building fund campaign is underway.

Some 300 persons attended the kick-off dinner at the Woodruff hotel, Joliet, last week.

The campaign, in which more than a thousand volunteers are taking part, will continue thru May 25.

The residential division, which will conduct its drive as a part of the general campaign, held a special kick-off affair at the Rialto theater, Joliet, on Monday, April 29. Some 800 women volunteers have been recruited as workers in the residential division.

Edward Block, campaign general chairman, reported that the advance gifts division so far has reported receipt of pledges totaling about \$850,000. The sum

represents 986 pledges.

Block said the kick-off of the public phase of the campaign marks the "big push" of the drive which will help determine whether the goal is met.

"A lot of work has been going on behind the scenes these last several months," Block said. "Now it is time to turn the drive over to the thousands of good citizens of Joliet, and surrounding communities, who use the hospital facilities and who are interested in assuring adequate hospital care for their families and the families of their children."

The Green Garden Home Bureau unit will meet at the home of Mrs. Donald Barlow next Friday, May 10. The major lesson will be given by Mrs. Barlow and Mrs. Ralph Smith on "Broiler Meals." Mrs. Harold Scheer will have charge of the minor lesson, "Association of County Women of the World."

The WSCS will meet in the Methodist church for a 1 o'clock luncheon next Wednesday. Hostesses will be Mesdames Clayton Davis, Stewart Vanderbilt, Dewey Andres, Alfred Krapf, Elmer Bettenhausen and Fred Diment. Mrs. R. Aldrich will be the guest speaker. Mrs. Fred Bettenhausen, Mrs. Walter Kopman and Miss Emma Andres will present the program, the topic being, "We Give Because We Love."

Mr. and Mrs. William Wanner entertained at their home Sunday. In the afternoon Mr. and Mrs. Stacy Baird of Peotone were their guests. Sunday evening dinner guests were Mr. and Mrs. Philip Baird and son Russell of Oak Lawn and Mr. and Mrs. Raymond Bettenhausen and daughter Diane. Two birthdays were celebrated, those of Mrs. Baird's which was Sunday, and her father's, Mr. Wanner whose birthday was Monday.

Mr. and Mrs. Wayne Krapf, Mr. and Mrs. Eldon Krapf and Mr. and Mrs. Clifford Oliver of Peotone were hostesses at a housewarming when eight couples gathered at the home of Mr. and Mrs. Burton Barr Sunday evening. The evening was spent playing cards and later refreshments were served.

Mr. and Mrs. Earl Bettenhausen and daughter and Mrs. Mary Bettenhausen visited with Mr. and Mrs. Carl Weber at Herscher Sunday. Mrs. Weber returned from St. Mary's hospital in Kankakee Thursday.

The Jolly Nine club met at the home of Mrs. Lester Barton Wednesday afternoon.

Mr. and Mrs. George Hasenjaeger and Mr. and Mrs. Clinton Hasenjaeger and family of Joliet motored to Rensselaer, Ind. Sunday and were dinner guests of Mr. and Mrs. Russell Kohlhaugen. They celebrated the birth days of Mrs. Kohlhaugen and her brother Clinton Hasenjaeger.

Open house for the parents of the school children in the Green Garden grade school was held last Friday evening by the teachers with Mrs. Lloyd Koenig as principal. Later the usual business meeting was conducted with Frederick Uthe presiding. Installation of the new officers was held with Mrs. Koenig as chairman. They are Mrs. C. B. Shaw, president; Mrs. Clyde Weber, vice president; Mrs. Arthur Anderson, secretary and Mrs. William E. Bettenhausen, treasurer.

The prize was awarded to Miss Diane Reimers. The room award for the most parents present was awarded to Mrs. Draves' room. The annual school picnic will be held Sunday, June 2 in the Raccoon woods in Monee.

Mr. and Mrs. Leslie Koenig entertained relatives Saturday evening at dinner, in honor of their daughter Sharon who celebrated her 9th birthday anniversary.

Mr. and Mrs. Orval Hulbert and family who have been living in the upper apartment of the C. Sippel building, have moved into the former Shrank home on Front street, recently purchased by Henry Boleman.

Mr. and Mrs. Berle Needham have purchased the home of Mrs. Marjorie Militzer on LaPorte road.

Mr. and Mrs. Fred Lehmann, Mr. and Mrs. Milton Geuther and Mr. and Mrs. Ray Westlund attended the annual district Lions Ladies night at Lockport Saturday evening.

At the meeting of the Friendly circle of St. John's church which will be held Thursday, May 9 at 8 p.m., a movie will be shown, entitled, "Heads Up For Beauty." Laverne Mancke and Mildred Bormet will present the program and Pat Spiess, Anne Burkhardt, Erdine Hollenback, Lois Gerri and Margaret Istel will serve refreshments.

During the morning service in St. John's Evangelical and Reformed church Sunday, the eight week old daughter of Mr. and Mrs. Martin Medema, Jr., was baptized. The Rev. William Riemann officiated. The name given was Julie Louise. Sponsors were the baby's aunt, Miss Joyce Cummons and Mr. Glenn Miers. The christening dinner was held in the Medema Sr., home in Mokena. Present were the baby and her parents and sponsors and the baby's great aunt, Mrs. Emma Pollock, Chicago, Mr. and Mrs. Merrill Cummons and Mrs. William Riemann.

Mr. and Mrs. Roy Kropp and son John and Mrs. Herta Paccard of Chicago returned last Tuesday from a motor trip to Washington, D. C. where they spent the Easter week-end with the former's son, Pvt. David Kropp. The latter is stationed at Ft. Brevior, Va., across the river from the Capitol where he is an assistant chaplain.

The Amvet Auxiliary met April 25 in the home of Mrs. Andrew Zink with Dorothy Bieringer and Anne Carroll assisting hostesses. Plans were discussed for the coming dance that the Auxiliary will give May 25 for the benefit of the Trinity school for retarded children. They also made plans to attend the Lions pancake breakfast, May 25.

The Sacred Heart League of St. Mary's Catholic church met last Thursday in the church. Plans were discussed for the style show which the league will sponsor May 24 in the Mokena public school, with Mrs. Warren Manker as chairman. At the close of the business session the annual hat contest was held and each member modeled their creation. Winners were, Mrs. Vera Mansfield, Mrs. Manker, Mrs. Elsie Tierney. Each received a lovely prize. Refreshments were served followed by a social hour.

Mr. and Mrs. John Bliven of Quincy, were week-end guests of Mr. and Mrs. Frank Gottlieb, of 94th st.

Mr. and Mrs. William Bradley Sr., and son motored to the hospital at Watseka Sunday and visited with Mr. and Mrs. Eugene Tomlin where they are patients since their recent auto accident. It is expected that Mrs. Tomlin would undergo surgery Wednesday on her knee which was shattered in the accident. Mr. Tomlin now has a walking cast and his broken leg and is able to be up in a wheel chair at times.

Word has been received by relatives in Mokena that the Rev. George E. Bosard, son of Amanda G. Bosard of West 192nd st., and sister of Mrs. Floyd Brooks of the same address, was elected secretary of the LaFayette District Ministerial association at its meeting held April 22.

The Jolly Neighbors met at the Henry Clark home Wednesday evening to celebrate Mr. Clark's birthday. Pinochie was played and refreshments were served. Those present were: Mr. and Mrs. Jack Schaub, Mrs. Dorothea Roesener, Mrs. Helen Scheer, Mr. and Mrs. Everett Creer, Mr. and Mrs. Earl Stellwagen, Mr. and Mrs. Dallas

Webster of Tinley Park, Mrs. Bertha DeBreaux, Paul Landahl and Mr. and Mrs. Frank Broockmann.

Henry Clark and Billy Noble will appear on television Saturday, May 4 or Saturday, May 11 on the Ronny Born Grandstand Teenagers' program at 1:30 pm. channel 7. Friends will be interested in watching for it, as it is rated as an enjoyable show.

Miss Lydia Baudry has returned from a vacation spent at Miami, Fla., and the Key West.

Petition to Form Park District At Hazel Crest

(CNS)—Some 120 Hazel Crest residents have petitioned the county court for the organization of a park district to be known as the Hazel Crest Park District.

Such a proposition first must be submitted to the voters and the petition asks that Judge Otto Kerner set an election date.

Affidavits attesting to the validity of signatures on the petition were signed by six citizens who gathered the signatures. These Hazel Crest residents are Frank J. Bruns, 2737 Woodworth place; Robert D. Raffae, 17408 Mahoney parkway; William W. Wuellner, 3116 W. 173rd street; Francis S. Moody, 17030 South Anthony, and Nausicaa J. Miller, 16942 Orchard Ridge. Attorney M. Donald Ross, of Harvey, is representing the petitioners.

Mother's Day

It was on May 9, 1907, in Philadelphia, that Miss Anna Jarvis, remembering the death of her beloved mother just a year before, conceived the thought of the day dedicated to all mothers. She began interesting individuals and organizations in naming the second Sunday in May as Mother's Day, and the initial observance was held in her home city on May 10, 1908.

Mokena PTA Elects Officers, Views Films on Highway Safety

The Mokena PTA unit had a busy evening at its last meeting, April 23. Members viewed two safety films; elected officers for the coming year and made plans for the annual eighth grade banquet and a bake sale.

Mrs. George Bilis was re-elected president of the unit. Other officers chosen are Mrs. Wendell Hamilton, first vice; Mrs. H. J. Wraton, second vice president; Mrs. Elias O. Brown, secretary and Mrs. Charles Burkhardt, treasurer.

Lyman Teague was appointed to audit the treasurer's books and Mrs. Richard Sippel was named teacher recruitment officer. Teachers are scarce and the PTA is aiding school authorities in their search for same. Persons who know of persons with teaching experience and a teacher's certificate who are interested in returning to school work are asked to contact Mrs. Elizabeth Cappel, principal of the Mokena school.

The 8th grade dinner will be served in St. John's church basement this year. The class is large and the facilities of the church basement are better suited to the task than those of the school, it was explained. Dancing in the school gym will follow the dinner.

Mrs. Ralph Howell and Mrs. Fred Ricketts have been named co-chairmen of the bake sale to be held May 11 in the Cooper & Hostert garage, beginning at 2 o'clock.

Mrs. Albert Janner, chairman of the safety committee, talked on proper use of highways and streets by motorists and cyclists.

Rules of the road for bicycle riders were stressed. They are: Observe all Traffic Regulations—red and green lights, one-way streets, stop signs.

Keep to the Right and ride in a straight line. Always ride in single file.

Have White Light on Front and danger signal on rear for night riding.

Have Satisfactory Signaling Device to warn of approach.

Give Pedestrians the Right of Way. Avoid sidewalks—otherwise use extra care.

Look Out for Cars Pulling Out into Traffic. Keep sharp lookout for sudden opening of auto doors.

Never Hitch on Other Vehicles, "stunt" or race in traffic.

Never Carry Other Riders—carry no packages that obstruct vision or prevent proper control of bicycle.

Be Sure Your Brakes Are Operating Efficiently and keep your bicycle in perfect running condition.

Slow Down at All Street Intersections and look to right and left before crossing.

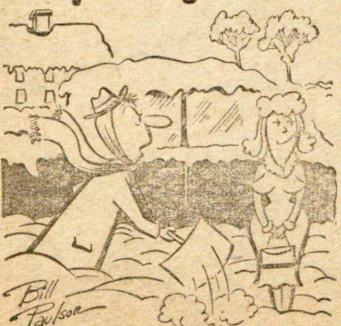

Always Use Proper Hand Signals for turning and stopping.

Don't Weave In or Out of Traffic or swerve from side to side.

At the conclusion of the business meeting the program began with two duets by Billy Anderson on the saxophone and Billy Ihde on the clarinet, after which Earl Dieken, of the faculty at Lincoln-Way high school, led an informative discussion on the curriculum at the school for incoming students. Mr. Dieken was assisted in his discussion by high school students, Tom Dunham, Eleanor Zimmerman and Carole Egness.

The room count was won by the second grade and following Mrs. Janner's films, refreshments were served by the second grade mothers.

Newton are co-chairmen of the dance while Walter Muehler and Walter Yunker will be in charge of the pinochle tournament. Special prizes will be awarded in pinochle.

Everyone is invited, the committee stressed.

Burglars Get \$120 in Cash

Three burglaries occurred in Mokena since Saturday and vandals were at work nearby.

Two homes and Willow Crest school were the scenes of the burglaries.

The school was entered sometimes Tuesday night, according to report made to the sheriff's office and Mokena Police Officer James J. Smetana. The thief of thieves carried off \$20.71 in cash from the fourth grade room but did not find anything of value in the other rooms. The desks of all the teachers were searched.

The homes entered last Saturday were those of Irwin Manzke, 236 Midland ave., and Fred Maker, 45 Second st. Approximately \$100 in cash was taken at the Manzke home while at Maker's the loot consisted of a Sunbeam electric razor, five pocketknives and several keepsakes, including two rings, a gold cross for a neck chain and a small bottle of gold dust.

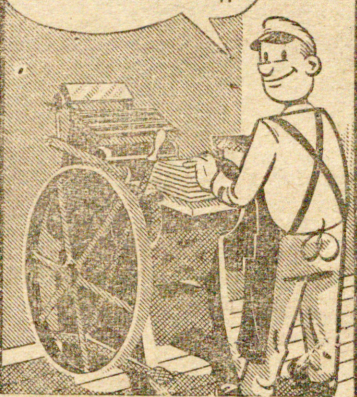

A set of footprints in the ground at both places indicated that the same person was responsible for both jobs, the report stated.

Charles Klein, who lives near Mokena, reported to sheriff's office that someone chopped down a tree in front of his place and took two concrete forms. One of the forms was found in a nearby pond.

On March 29 burglars entered the grade school on Carpenter street and got \$113.

Frankfort Youth Piano Soloist In Park Forest Symphony Concert

The Park Forest Symphony Orchestra will present its Young Peoples Concert this Friday evening, May 3, at 8:30 p.m. at Rich township high school.

The piano soloist for the concert will be Rudolph P. Guzik

of Frankfort. Rudy is a 17 year old freshman at the Illinois Institute of Technology. He has had experience in composing, arranging, and has taught piano and accordion for several years. In addition to his studies in engineering he now conducts his own dance band.

For this concert Rudy will play the first movement of the Beethoven piano Concerto No. 3. He will be accompanied by the Park Forest Symphony. Other numbers which the orchestra will play will be:

Overture to Orpheus in the Underworld, Offenbach.

Introduction to Act III, Lohengrin, Wagner.

Overture to Der Freischutz, Weber.

Mississippi Suite, Ferde Grofe. Tickets will be available at the door for those who are not season subscribers.

Since November 12, 1951, more than 65 million passengers have traveled a total of nearly 40 billion miles in Pullman cars without suffering a fatality. In the same period more than 190,000 people have died in highway accidents.

Henry Hazlitt writes in Newsweek: "Marx had a genius for destruction. He knew that capitalism could not long survive a system of confiscatory taxes which dry up incentives and the sources of private capital accumulation and investment."
